Nomination accepted by Brent Walker.

*** Brent Walker proclaimed president by acclamation.**

Mike Pulice nominated Chris Hergott, Hergott Farm Equipment for Vice-President.

Nomination accepted by Chris Hergott.

*** Chris Hergott proclaimed vice-president by acclamation.**

17 Adjournment: Anne Thomas adjourned the meeting at 1:04pm

Presidents Report 2023

I would like to thank everyone for attending the 118th Annual General Meeting for the Humboldt and District Chamber of Commerce.

I am encouraged by the attendance here today, as it reinforces our role as a Chamber of Commerce and the work we do to support our business members within the region.

I am pleased to share this report on behalf the Chamber board of directors, I am proud of the diversity we have on the board, and how each board member plays a key role in the skills and experience they bring to the table. Thank you to all our Board members for your dedication to the Humboldt and District Chamber of Commerce.

Over the past year the Chamber board of directors reviewed our mission and Strategy to ensure we are aligning our work to our purpose. Through this review, we found that we needed to pivot our operations for the Chamber to focus on our main purpose of supporting the Chamber of Commerce members. One major shift was our decision to move away from managing the Campground, as well we eliminated some of the events that we typically held in past years and added new ones. This work will continue as we approach a new year with new possibilities.

Our Executive Director Brent Fitzpatrick is a key component to the success we achieved over the past year. In seeking a partnership with Sage hill to work through a design thinking session and gain an understanding of what our region needs from the perspective of existing business and what new business is needed to support a healthy economy with in the region, we found many opportunities for the Chamber of Commerce to support the growth and development of our region. Brent, along with our Office Manager Kristal Hart have started the work to get some of our initial initiatives off the ground, and I am excited to see how these evolve throughout 2023.

This is an exciting time to be a part of the Chamber of Commerce Board of Directors, with our focus on supporting our members, as well as working with partners to ensure the success of our businesses, our City and our Region, I am optimistic about our future.

Financial Statements

For the year ended December 31, 2022

Independent Practitioner's Review Engagement Report

To the Members of Humboldt and District Chamber of Commerce:

We have reviewed the accompanying financial statements of Humboldt and District Chamber of Commerce that comprise the statement of financial position as at December 31, 2022, the statements of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Humboldt and District Chamber of Commerce as at December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

	\$ 149,618	\$ 190,702

The accompanying notes are an integral part of these financial statements.

Humboldt and District Chamber of Commerce

Notes to Financial Statements

For the year ended December 31, 2022

The Humboldt and District Chamber of Commerce (the "Chamber") was incorporated under the Non-profit Corporations Act of Saskatchewan on August 8, 2000. The Chamber is a member driven organization whose mandate is to foster business development in the City of Humboldt and surrounding district. As a not-for-profit organization, the Chamber is not subject to income tax.

The Chamber also operated the Visitor Information Centre and Historical Park Campground (the "Centre"), as well as a minigolf course, which are owned by the City of Humboldt. The Centre, which included the office space occupied by the Chamber, was under a contract that was renewed annually, and the campground was under a long-term contract through 2022. The City of Humboldt provided an annual operating grant of \$16,000 (2021 - \$16,000) to support those facilities. This contract was not renewed, and resulted in the Chamber relocating to a new office space.

1. Significant accounting policies

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following policies:

a. Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant items subject to such estimates and assumptions include the carrying amount and useful lives of tangible capital assets, and valuation allowances for receivables. Actual results could differ from those estimates and may have impact on future periods.

b. Cash and cash equivalents

Cash and cash equivalents includes cash on hand and cash on deposit net of outstanding cheques.

c. Short-term investments

Short-term investments consist of term deposits with maturity dates ranging from 91 days to twelve months from the date of acquisition.

d. Financial instruments

The Chamber's financial instruments, consisting of cash and cash equivalents, accounts receivable, short-term investments, investments in co-operatives, accounts payable and accrued liabilities, and Canada Emergency Business Account loan are initially recognized at fair value, and subsequently measured at amortized cost.

e. Inventory

Inventory, consisting of firewood for the campground, is stated at the lower of cost and net realizable value.

f. Tangible capital assets

Tangible capital assets are recorded at cost. Amortization is provided for using the declining balance method over the estimated useful lives as follows for the major classes of assets:

Office equipment	30%
Fence and signage	10%

Humboldt and District Chamber of Commerce

Notes to Financial Statements

For the year ended December 31, 2022

1. Significant accounting policies (continued)

g. Revenue recognition

The Chamber follows the deferral method of accounting for contributions. Restricted contributions, including grants, are recognized as revenue in the year in which the related expense is incurred. Unrestricted contributions, which consist of Mark of Excellence awards, BID contract, Christmas promotions, meetings and promotions, interest and sundry, camping, minigolf, fall business showcase and tradeshow, government assistance, and other revenue are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Memberships and group insurance are recognized in the year to which they pertain.

2. Short-term investments

Short-term investments consists of term deposits bearing interest between 1.10% - 3.48% (2021 - 0.60%), maturing from March - September, 2023.

3. Tangible capital assets

Tangible capital assets consist of the following:

	Cost	Accumulated Amortization	2022 Net Book Value	2021 Net Book Value
Office equipment	\$ 15,278	\$ (8,404)	\$ 6,874	\$ 10,244
Fence and signage	-	-	-	2,973
Total	\$ 15,278	\$ (8,404)	\$ 6,874	\$ 13,217

4. Accounts payable and accrued liabilities

Included in accounts payable and accrued liabilities is \$7,542 (2021 - \$7,517) related to payroll related taxes and withholdings.

5. Deferred grants

Deferred grants consist of the following:

	Mark of Excellence Sponsorship	TEN Project	Saskatchewan Chamber of Commerce	2022 Total	2021 Total
Deferred revenue, beginning of year	\$ -	\$ 1,321	\$ 6,525	\$ 7,846	\$ -
Grants and revenues received	10,875	-	-	10,875	83,365
Revenue recognized	-	(496)	(1,958)	(2,454)	(75,519)
Deferred revenue, end of year	\$ 10,875	\$ 825	\$ 4,567	\$ 16,267	\$ 7,846

Humboldt and District Chamber of Commerce

Notes to Financial Statements

For the year ended December 31, 2022

6. Canada Emergency Business Account Loan ("CEBA")

The Chamber applied for and received the \$40,000 CEBA loan in the 2020 fiscal year. An additional \$20,000 was applied for and received in the 2021 fiscal year. The loan was provided by the Government of Canada to provide capital to organizations to see them through the current challenges and better position them to return to providing services and creating employment. The loan is unsecured.

The loan is interest free to December 31, 2023. If the loan is paid back by December 31, 2023, \$20,000 of the loan will be forgiven. If the loan is not repaid by that date, the full \$60,000 loan will be converted to a loan repayable over three years, plus interest at 5%. The forgivable portion of the loan has been included in government assistance income in the prior years (2021 - \$10,000).

Also included in government assistance is Canada Emergency Wage Subsidy of \$nil (2021 - \$3,386), and 10% Temporary Wage Subsidy of \$nil (2021 - \$1,386).

7. Commitments

The Chamber leases its premises from the City of Humboldt under a long-term operating lease, expiring September 2027. Minimum annual lease payments are as follows:

2023	\$6,909
2024	\$6,909
2025	\$6,909
2026	\$6,909
2027	\$5,182

8. Related party transactions

The Chamber purchased computer equipment for \$600 (2021 - \$1,554), office supplies for \$1,011 (2021 - \$999), office improvements for \$321 (2021 - \$nil), and advertising \$200 (2021 - \$nil) from a director's company. These transactions occur in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties, and which in management's opinion is comparable to amounts that would have been paid to non-related parties.

9. Financial instrument risks

The Chamber is exposed to the following significant risks through its use of financial instruments:

Credit risk: The Chamber's exposure to credit risk related to accounts receivable and arises from the possibility that a customer does not fulfill its obligations. No individual customer is significant to the Chamber. There has been no change to credit risk from the prior year. The amounts due are from a variety of customers and as such, there is no significant concentration of credit risk.

Liquidity risk: The Chamber's exposure to liquidity risk is dependent on its ability to continue to generate funds to meet commitments and sustain operations, including continued support from the City of Humboldt. As the Chamber no longer operates the Visitor Information Centre and Historical Park Campground, they will no longer be eligible for the City of Humboldt grant, increasing liquidity risk from the prior year.

Interest rate risk: The Chamber has sourced \$60,000 in interest-free debt (note 6) from a COVID-19 government relief program. Should this debt not be repaid upon termination of the interest-free period it may require refinancing at interest rates in effect at that time. There has been no substantial change to interest rate risk compared to the prior year.

Humboldt and District Chamber of Commerce

Schedule 1 - Visitor Information Centre and Historical Park Campground

For the year ended December 31, 2022

	2022	2021
Revenue		
Camping	\$ 38,585	\$ 37,966
City of Humboldt grant	16,000	16,000
Mini-golf	8,273	7,213
Summer student grant	6,803	-
Other revenue	523	478
Camping grant	-	7,500
Total revenue	70,184	69,157

Excess of revenues over expenses	\$ 48,130	\$ 48,934

The accompanying notes are an integral part of these financial statements.

Executive Director Report – 2022

2022 was an important year for the Humboldt and District Chamber of Commerce.

A new chapter has begun for the organization. After 24 years of continuous operation of the Humboldt Historic Campground and Mini-golf, we have sold our interest in those businesses to the City of Humboldt. That significant change in our business model has resulted in a move as well for the Chamber of Commerce. Our new offices are located in the historic Courthouse Building, in the former Land Titles Office at 810-9th Street. Our two offices are approximately 300 square feet, but the common area is nearly 3,400. Because of that, this new space offers us an immense amount of flexibility when it comes to board functions or other usage.

Please feel free to drop around at any time to see our new space.

Campground

Operations with the Humboldt Historic Campground went very smoothly this year. Once again, we were very fortunate to have two great summer students: Deryk and Tyler (l-r). Along with Kristal Hart our campground manager, the team was able to provide a great, personalized experience for everyone who made the choice to stay with us. It was a great way to round out more than two decades of service to our region.

It was not a year without challenges though. But, financially the campground supported us well in the final year. That success was built on the strength of our customer service with many returning campers. It was their support that led us to that position.

Mark of Excellence

For 2022 the Mark of Excellence was put on hold. 2023 is going to mark a significant change for the event: new marketing, slimmed down and flexible nomination process. Details on the event will be emerging as we move through the spring. But guaranteed, it won't be the same ol' same ol'!!

For 2022 however, we took each of the nominee's a gourmet dessert tray supplied by the Bella Vista with our unique Art pieces created by Elaina Adams of Prairie Glass. (right)

Events

Through our strong relationship with BHP we partnered for two job fairs in our area: the first in Muenster at St. Peters College (left) and the second here in Humboldt at the Uniplex. The second also featured a meal with guest speaker, the vice president of potash for BHP: Simon Thomas (right). The evening also featured Corliss Rassyle (below) helping us become the "Best You."

Donut Runs are always popular with our members. Look for more coming in the future—and so good!! Thanks to the Danish Oven and Tim Hortons for the great eats.

The Moonlight Market at BHP Jansen took place just before Christmas in the Main Lodge. It was well attended by both Chamber members and those in the home-based business field. From all accounts it was a success and another is planned for spring 2023!

BID Partnership

The Humboldt and District Chamber of Commerce operates the Humboldt Downtown BID on a contract basis. Each year the BID helps puts on significant events for the downtown area of the City of Humboldt. In 2022, it was no different. There were three lunch hour BBQ's that saw hundreds of people lined up to enjoy a burger along with an amazing performance with some of our local musicians. For 2022, we enjoyed performances by Horses Mouth, Walter Bushman and Brian Grest, Ben Donaldson, Yana Yudina-Jeewon and Lady Friday (left) with the BBQ's benefiting the Museum, Water Tower, Scouts, Bill Brecht Park and Humboldt SPCA.

There were 11 vendors that took part in Streetfest 2022, including Clare's

Crochet(c) and Rick's Place (r) For **2023** Streetfest will return, with a Moonlight Market, car show, vendors, bouncy castle, concerts, BBQ's and a surprise community participation event.

It will be a Thriller!! No more hints!

Growth

The years ahead are going to be filled with a magical combination of challenge and opportunity. Our region is facing, like many others, a significant affordable housing crunch. Low vacancy rates coupled with escalating material costs has resulted in an extreme shortage. Couple that with the approaching change at BHP in mandating their 300 permanent staff to live in the region, and you have a challenge for every community within their 80 kilometer drive bubble.

The greatest barrier to
Growth
is
Territoriality.

However, that same challenge can be turned into an opportunity with a simple change in perspective. The key component to this is going to be partnerships. While simple to say, it is the hardest mindset to change. However, working together cannot fail if everyone has the same shared goal and vision.

The Humboldt and District Chamber of Commerce is poised to be ready to assist in those partnerships, for that growth in our future.

So, while 2022 was a year of change—2023 is a year of excitement!!

Questions? Thoughts? Please drop by our new offices or give us a call.

Negative energy will be dealt with in our 'Special' office in the basement. (See above).

Campground Report for 2022

Overall

2022 was the final year for the operation of the Humboldt Historic Campground and Mini-golf by the Humboldt and District Chamber of Commerce.

First, the Humboldt and District Chamber of Commerce would like to thank the Mayor and Council for the 22 years of partnership in the Campground. For more than 2 decades, the Chamber of Commerce has been able to provide excellent accommodations and guidance for visitors to our area—and for that we are eternally grateful. In addition, the support of the Leisure Services staff was invaluable throughout the summer season.

In the previous two years, the volume of nights stayed at the campground has steadily decreased. Covid and the economy played significant roles in the revenue losses.

The advent of the mobile device (IE cell phones/tablets etc) has played a significant and detrimental part in the demise of 'visitor information' dissemination. Each year of operation, saw a logarithmic decline in people coming into the office. In fact, the majority of people utilize their handheld devices to get directions, find services, etc.

Staffing

We were very fortunate for 2022 to have two very strong students employed with us. Deryk and Tyler were quiet, professional, courteous and motivated. We once again partnered with our friends at Cultural Services to do a tour of all the tourism facilities we have in the region—including the water tower, original Humboldt, Museum, Gallery and Mount Carmel.

In addition to their campground workload, the students were running to businesses in the Humboldt Downtown BID delivering flyers, information and picking up materials.

With the many challenges we had in 2022, there were very few incidents that required the students to contact the campground manager or I. There were, though, many conversations afterwards to let them know why the customers behaviour was not appropriate. Also, to encourage them so they know how they reacted was proper.

Again, great to have these two young men employed by us.

Kristal Hart, managed the campground this year, as in previous years. Great job. While hers was the most challenging—she handled it with aplomb. As has often been said, when you can hear laughter with the customers it is the best work environment to be in—and that was the case at the front desk of the Humboldt Historic Campground.

The Statistics:

Camper Home Locations for 2022:

161 Saskatchewan
13 Manitoba
61 Alberta
26 British Columbia
7 Ontario
1 Northwest Territories
1 Quebec
1 PEI
1 England
5 USA

Statistics for Tourism Services Only

<u>Contact Methods:</u>	<u>Email</u>	<u>Phone</u>	<u>In-Person</u>
	9	31	45

<u>Number in Group:</u>	<u>0-2</u>	<u>2-6</u>	<u>Unknown</u>
	32	2	51

City/Town/Province: Saskatoon, Alberta, Humboldt, Hay River NWT, Allen, Imperial, Medicine Hat, Mulebath(sic) Switzerland, Melfort, Pilger, Mexico, Cochrane AB, Calgary AB, Foam Lake, Regina, London, England, Fort McMurray AB, Swift Current, Watrous, Ireland, PEI, BC and Manitoba. There were a number who did not identify where they are from.

Reason for visit: Teaching, continuing education, wedding, reunions, interest in region, information, vacation rest, family event, working.

Info Requested: Sask road maps (10), local/regional tourist spots(9), along with a number of people who came by to search for coffee, what city facilities are available, information on Ontario, information on Regina Beach, where to purchase Bronco's merchandise or just taking a break from driving.

In closing, the staff, management and Board of Directors would like to thank the City of Humboldt staff and council for their support over the past 22 years and we wish you all the best in the operation of the campground moving forward.

Regards,

Brent Fitzpatrick
Executive Director

"I swear that I will faithfully and truly perform my duty as a Director of the Humboldt & District Chamber of Commerce and that I will, in all matters connected with the discharge of such duty, do all things, and such things only, as I shall truly and conscientiously believe to be adapted to promote the objects for which the Humboldt & District Chamber of Commerce was constituted according to the true intent and meaning of the same. So, help me God!"
